Date: 24.11.2017

PLACEMENT CELL – FORM D

DECLARATION BY THE B.TECH STUDENT

I, _____, SC _____ (Roll No:), studying in _____, at Indian Institute of Space Science and Technology (IIST), Valiamala, Thiruvananthapuram, in _____ Department hereby declare that information submitted in the prescribed format to the Placement Cell are true and correct to the best of my knowledge. I understand that I've signed a bond with IIST and as per the institute policies and eligibility norms; I'm to serve ISRO if I satisfy the required eligibility norms.

I also understand that, I can take up any new job offers through Campus/Placement Office only if I am unable to join ISRO, due to my eligibility conditions not being satisfied / no job offer given to me by ISRO.

I also declare that I would inform the Institute well in advance and would not conceal any information of the bond to any of the organizations (Central Govt./ State Govt./ Pvt Ltd Companies/Any Organization) before accepting new job offers.

I also declare that *if I have a Job offer from any Central Govt./Defence Sector/Govt. Undertaking* with due permission from IIST and if I am unable to transfer my bond with IIST to the concerned organization (*Central Govt./Defence Sector/Govt Undertaking*), then I would not take up any such job position in any such organizations (*Central Govt./Defence Sector/Govt undertaking*) against the policies of the Institute. I shall unconditionally relinquish any such job offers and join ISRO if I qualify the eligibility norms and if selected by ISRO.

I declare that my Grade Point Aggregate (GPA) is as follows : **(Please write result not declared/ currently studying as applicable in case GPA points are not available)**

SEMESTER	Sem 1	Sem 2	Sem 3	Sem 4	Sem 5	Sem 6	Sem 7	Sem 8
CGPA								

I declare my current Cumulative Grade Point Aggregate (CGPA) is _____ and I understand that the Institute policies and the conditions of the bond are evaluated as per my final CGPA and I shall abide by the policies to join ISRO as per the eligibility norms if selected by ISRO.
