Question: Has the institute implemented Choice Based Credit System for UG students?

Answer: The institute has implemented the Choice Based Credit System for UG students since July 2018. The parent department shall stipulate the mandatory core courses and mandatory elective courses that a student has to compulsorily register from their own department. The student shall be permitted to either register for the remaining course requirement from a course offered by one of the sister departments, subject to the student meeting the prerequisite that the above course entails or the student can register for any course offered by the parent department itself.

Question: Does the institute provide an Auditing Option to the UG student? What are the guidelines for auditing a course?

Answer: The institute does provide the Auditing Option to a UG student which has been implemented since July 2018. The following provide a few salient points related to auditing a course:

1. A student can only audit two courses during his/her entire period of stay at IIST.
2. The student will require a minimum attendance requirement of 80% similar to the credited course.
3. The student will have to take all the quizzes together with any class tests and need to submit class assignments similar to a credit course. The student however is exempted from writing the end semester examinations.
4. There is no grade awarded for the audited course. Hence the audited course does not carry any grade points and therefore the audited course does not figure in GPA/CGPA calculations.
5. Prior written permission of the course instructor who is offering the course and approval from the concerned Head of Department is required to 'audit' any course.
6. If the auditing course requires any pre-requisite, the student needs to meet the above.
7. The course instructor shall determine whether the student has successfully completed the audit requirements

and intimate the Academics section.

8. The course successfully completed by the student in Audit mode will be reflected in the Student's Semester Grade Report and the Student's Transcript as Audit Course.
